

[No. 38.]

STATE OF MICHIGAN.—To the Circuit Court for the County of Van Buren in Chancery: The petition of William C. Stevens, Auditor General of State of Michigan, on affidavit sayeth that the lots of lands hereinbefore set forth and marked "Schedule A" contain a description of all lands in said county of Van Buren upon which taxes were assessed for the years mentioned therein, and which were returned to the Auditor General by him as lands which have never been paid; together with the total amount of such taxes, with interest computed thereon to the time fixed for sale as provided by law, and the sum of advertising and other expenses in each case, so as to be received by the Auditor General.

Your petitioner further shows that said lands were returned to the Auditor General as delinquent for the non-payment of said taxes for said years respectively, and first day of January, 1841.

Your petitioner further shows that the said taxes on the said described lands have remained unpaid for more than one year from the first day of July following the last day of payment, and that the said tax has been lying overpaid, and that the same is now due and remaining unpaid as above set forth, your petitioner prays a decree in favor of the State of Michigan against each parcel of said lands, for the payment of the same, and the taxes, interest, costs of advertising, and other expense of sale, as computed and extended in said schedule, against the several parcels of land contained therein, and in default of payment of said the severance taxes, and in default of payment of said lands, that each of said parcels of land may be sold for the amounts due thereon as provided by law.

And your petitioner will ever pray, etc.

WILLIAM C. STEVENS,
Auditor General.
